

This figure is a detailed land use planning map of Tây Ninh province, Vietnam, for the period 2021-2030, with a vision to 2050. The map is titled "BẢN ĐỒ ĐÁNH GIÁ TỔNG HỢP ĐẤT ĐẠI THEO CÁC MỤC ĐÍCH SỬ DỤNG TỈNH TÂY NINH" (Comprehensive Land Use Evaluation Map of Tây Ninh Province according to various purposes). It is a scale of 1:100,000.

Map Features:

- Geographic Context:** The map shows the province's location relative to neighboring countries (Myanmar, Laos, Cambodia) and provinces (Bình Phước, Bình Dương, Long An, TP. Hồ Chí Minh).
- Administrative Divisions:** The map is divided into districts (Huyện) and towns (Thị trấn), including H. Tân Biên, H. Tân Châu, H. Dương Minh Châu, H. Gò Dầu, H. Bến Cầu, H. Châu Thành, and TP. Tây Ninh.
- Land Use Categories:** The map uses various colors to represent different land use types, such as agricultural land (green), urban areas (yellow), forests (brown), and water bodies (blue).
- Infrastructure:** The map shows major roads (national, provincial, district) and rivers (Sông Vàm Cỏ Đông, Sông Vàm Cỏ Tây, Sông Sài Gòn).
- Legend (CHÚ GIẢI):** The legend defines the symbols for administrative levels, land use types, and infrastructure. It includes categories like "Phân loại đô thị" (Urban classification), "Hiện trạng mạng lưới giao thông" (Current transportation network), and "Hiện trạng sử dụng đất" (Current land use).
- Scale and Orientation:** The map includes a scale bar (0 to 4km) and a north arrow.
- Metadata:** The map includes a title block with the project name, scale, and a list of officials involved in the planning process, including the Chairman of the Provincial People's Committee and the Provincial People's Representative Assembly.

Key Data Points:

- Urban Classification:** The map shows the distribution of urban areas across the province, with a focus on the central and southern regions.
- Land Use Change:** The map highlights areas where land use is planned to change, such as agricultural land being converted to urban or industrial use.
- Infrastructure Development:** The map shows the planned expansion of the transportation network, including new roads and bridges.
